# About the Alden

Available from \$1,674,465 on Homesite B2-19

Located on the 15th fairway of the Highlands course, the 3,528 sq. foot Alden has been thoughtfully designed with exposed wooden beams and a stone exterior, creating organic and inviting luxury. The connection to nature is carried throughout with vaulted ceilings and sliding walls of glass that extend the space out to a large covered porch. The main living area seamlessly blends with a gourmet kitchen, while a creatively designed den offers the perfect space for a home office. The owner's suite is situated on its own wing, providing ample privacy and space, and two additional guest suites on the main level offer spacious privacy. Above the garage, a large finished space with full bathroom is the perfect spot for a media room, game room or fourth bedroom.
